Letter No.EDS.300 dated the 30th July 1942, from the Secretary to Government, Electrical Department, Bangalore, to the General Superintendent, Cauvery Power Scheme, Bangalore.

Subject:- Automatic Telephones - their disconnection for Military, A.R.P. and other purposes.

With reference to correspondence ending with your letter No.1766 dated the 22nd July 1942 on the above subject I have the honour to state that Government have been pleased to lay down the following general instructions and to request that the Automatic Telephones may be disbonnected in the undermentioned order whenever phones are required for Military, A.R.P. and other national purposes in future:-

I. Government Phones still retained for non-essential purposes such as

(i)	Advocate General - Residence	No.2087
(ii)	Central College	No.2052
(iii)	Comptroller's Office (Special Section)	No.2635
(iv)	Confidential Branch, G.R.S.	No.2078
(v)	Director of Agriculture (Residence)	No.2330
(vi)	Director of Industries and Commerce (General) (May be replaced by a link)	No.2004
(vii)	District and Session Judge, Bangalore Court	" 2219
(viii)	District Loco Superintendent (General) (May be replaced by a link)	No.2632
(ix)	Superintendent, Public Health Institute	No.2048
(x)	The Forest Research Laboratory (May be replaced by a link from I and T Laboratory)	No.2693

II. ELECTRICAL DEPARTMENT PHONES.-

The 'B' and 'C' Electrical Stations may have connections from the C & M. Station Exchange and those two numbers in the City Exchange may be released for being connected to Cantonment numbers. They may also be connected by Departmental (Magneto) phones with the Electric Offices.

(III) PRIVATE CONNECTIONS OF CUSTOMERS WHO ARE ONLY CASUAL VISITORS

III. PRIVATE CONNECTIONS OF CUSTOMERS WHO ARE ONLY CASUAL VISITORS AND NOT PERMANENT RESIDENTS.-

These may be removed next e.g. the phones given to Mr. S.S. Vasan and Mr. K. Sreenivasan of the Hindu. The latter may be given a link from his office when he is in Bangalore. The Directors of the Mysore Spinning and Manufacturing Co., and the Minerva Mills may be given a link from Mr. Devarao Shivaram's phone when they are here.

IV. PRIVATE TELEPHONES USED BY CONSUMERS ON NON-ESSENTIAL PURPOSES:-

Telephone connections to Cinemas, ordinary shops etc., may be disconnected by the General Superintendent, Cauvery Power Scheme after careful consideration as need arises, under his powers under the defence of India Rules. If the consumers consider that the General Superintendent's decision is not acceptable to them, they may appeal to Government and Government on receipt of such appeal may pass such orders as may be necessary if and when an interference is called for.

Government direct that only nine telephone connections may be given to A.R.P. as most of the phones will be required for Military purposes-

Annexure to Notification No.J1.P.R.796/41-42.

Memorandum on A.R.P. in small Petroleum Distributing Depots and Filling Stations.

Filling Sheds and Storage Godowns:--

(1) Should there be danger, from the bursting of a bomb, of burning petroleum escaping into adjoining property, waterways or drainage safeguards should be provided by building wherever practibable additional safety walls or bunds of sandbags etc.

(2) Supplies of suitable materials for quickly repairing breadhes in retaining walls should be kept on.

(3) Make sure that the walls of filling sheds and storage godowns are strong enough to retain all the petroleum in the sheds and to prevent the outflow of burning petroleum.

(4) Appliances for dealing with petroleum fires and sand containers and stirrup pumps etc., should be frequently inspected to ensure that they are mainteined in good order.

(5) A properly trained fire party should be on hand behind splinter proof cover during a raid.

(6) In areas in which the excape of petroleum is likely to lead to serious damage to surrounding property, care should be taken to see that the petrol does not escape from the enclosure Every such enclosure should be of dimensions sufficient to contain.

(a) In case of dangerous petroleum, 10% more than the tank is capable of containing

(b) in cases of non-dangerous petroleum, the amount the tank is capable of containing.

The inner surface of the wall surrounding the tanks should be properly banked up with earth to the full height to withdtand the action of fire.

(7) All drainage from tank areas must be kept closed under the petroleum Rules.

Petrol Filling Stations..

With regard to these, sufficient fire appliances and water and hose connections for preventing the spread of fire are sufficient precautions.

IN THE COURT OF THE DEPUTY COMMISSIONER AND DISTRICT MAGISTRATE, KADUR DISTRICT, CHIKMAGALUR.

Notification No. C. C. D. 6—42-43, dated 20th August 1942.

Present :—

K. Srinivasan, Esq., B.Sc.,
Deputy Commissioner and District Magistrate,
Kadur District, Chikmagalur.

Order Under Rule 56 of the Defence of India Rules as applied to Mysore.

Whereas it is ascertained on credible information that public processions, meetings and assemblies are likely to be organised in connection with the action taken by British and local Government against the All-India and All-Mysore Congresses, respectively, and whereas such processions, meetings or assemblies are likely to endanger public peace and harmony and interfere with the normal working of the administration and dislocate business.

I, K. Srinivasan, B.Sc., Deputy Commissioner and District Magistrate, Kadur District, Chikmagalur, in exercise of powers vested in me under Rule 56 of the Defence of India Rules, as applied to Mysore, hereby order that no such public processions, meetings or assemblies should be organised or conducted within the limits of this District and the Sringeri Jahgir without obtaining a license beforehand from the Magistrate who has authority and jurisdiction, for a period of six months from this date.

This order supersedes my order No. C. C. D. 6—42-43, dated 11th August 1942.

Given under my hand and the seal of this Court, this 20th day of August 1942.
